DOCUMENT RESUME

ED 098 766 EC 070 527

TITLE	Additions to Bibliography: Education of Deaf-Blind, Fall 1972-June 1974.
INSTITUTION	Perkins School for the Blind, Watertown, Mass.
PUB DATE	74
NOTE	12p.
EDRS PRICE	MF-$0.75 HC-$1.50 PLUS POSTAGE
DESCRIPTORS	*Bibliographies; Communication Skills; Conference Reports; *Deaf Blind; Educational Diagnosis; Educational Programs; *Exceptional Child Education; International Programs; Medical Research; Multiply Handicapped; Parent Education; Rehabilitation Programs; Rubella; Sensory Aids; Services

ABSTRACT

The bibliography lists 134 sources of information on education of the deaf-blind including journal articles, books, workshop and conference proceedings, bibliographies, films, and tapes. Entries are grouped under general topics such as parents, family and community; medical neurological management and concerns; educational evaluation and testing; programs and services; training and education of children and youths; and the adult deaf blind. Sub-topics pinpoint such areas as principles and practices in parent education, rubella syndrome, early childhood education, communication and language development and adult case studies and personal experiences. Tweedie, David. Diagnostic behavioral observation of deaf-blind multihandicapped child. Unpublished paper, University of Georgia, Athens, Georgia. 1973. 8pp.

Waterhouse, Edward J. Planning a Public Relations Program for the Rehabilitation of the Deaf-Blind. Paper given in Aarhus, Denmark, July 1974. 5pp.

Copies of the Bibliography are still available at a cost of $2.00. Unless the material is listed from Perkins please obtain material listed from the sources noted. I hope you find these references of use. If you know of other material which you think should be listed, please let me know, or if you can send a copy to the Library.
